MISSIONARY UPDATE:

Bill Campbell

LOCATION: Africa

Dr. Bill Campbell from Prepare The Way Ministry (PTWM) in Uganda will be speaking at the 9:00 Education Hour on Sun. April 27.

We would like to invite everyone to come and hear about the remarkable highlights of 2024 and the projects for 2025 and the upcoming Mission Trip opportunity for all ages.

Greetings from Dr. Bill & Madiina Campbell

"Behold, I send my messenger before your face, who will prepare your way . . . Mark 1:2
Dear Friends,

The Lord is using Prepare The Way Ministry (PTWM) to reach many people, helping them come to know and understand Him more. Through PTWM, many people and children who could not access education are now able to do so. PTWM equips leaders, fosters unity, and strengthens relationships with the body of Christ. It reaches out to those in need, evangelizes communities, teaches life skills to adults and youth, reaches out to those in prison, and so much more. Most importantly, it is transforming lives!

PTWM - Sseya, Uganda

The church in Sseya was established around 2010 and today we are blessed to have around 200 people who attend weekly in one of our largest classrooms. Our school in Sseya is expected to have 400 children and have now been able to install some doors with the help of generous donors. This year we are praying to install windows and plaster the walls and floors. Hope Children's Home is located next to the school and has 33 children ages 8-16 living there. These precious children live with us full-time and we are so grateful for the opportunity to care for them, teach them and show them how much the Lord loves them through our staff and sponsors.

PTWM - Kalagala, Uganda

The church in Kalagal started in 2018 and has been growing ever since. Last year we started hosting Preschool through Kindergarten classes and just added a 1st grade class this year. We have over 90 students at the church and hope to build a school next year on the new land we purchased.

PTWM - Elderly Ministry

For the past 8 years we have been ministering to the elderly who were in desperate need of help. We help build homes, provide food for those who have nothing to eat, fetch water and when needed, provide mattresses and blankets for those without a place to sleep.
