## MISSIONARY UPDATE:

**DAVE + JAN STILLWELL**

### LOCATION: MN; ND; Central Asia (Kyrgyzstan)

Greetings dear friends at Maple Plain Community Church!

Happy belated Thanksgiving and Happy Christmas Season! We pray that you are feeling blessed in the Lord and experiencing His transformational work in your hearts every day!

We had written a Thanksgiving update and were all ready to send it out EARLY! But when trying to send it, Dave's email program was blocked from sending out emails which happens sometimes as we are sending out too many at one time. So, we tried from Jan's laptop, and the same thing happened. By the time we got the program fixed, Thanksgiving was long gone. And we decided that we need to finally upgrade to a new system to send out our updates. So we are now transferring the update we wrote to a newsletter platform called Epistle.org. It will be much more user-friendly, and all our updates will be saved on a site that you can access at any time. So in order to do access this site and receive our updates:

For now, here is a short recap of what we wrote about in our update which you will be able to see in Epistle.org soon:

- Jan's mom went to be with Jesus in August. It was very unexpected, but was such a blessing that Jan was able to be home for several months to help take care of her and spend precious time with her, and be with her dad afterwards. We are so grateful to the Lord that he is doing amazingly well, and is always feeling God's loving care and support.

- We have taken on a new leadership position within YWAM and are overseeing all the church planting and unreached- focused teams in Central Asia, which we are really excited about!

- We had had the privilege of mentoring a group of young Norwegians who are currently living in Kyrgyzstan, but will move to serve in Bukhara, Uzbekistan next year! This has been such a joy and blessing for us!

- A man that you have been praying for for years, who fell away from the Lord and became an agnostic, then an atheist, then Muslim has wholeheartedly come back to Jesus and has experienced nothing short of a miraculous transformation! We are loving being part of his new life in Christ, and all that he is doing to bring others to Him now – its been a huge joy and super dose of encouragement for us! He gave his wife such a hard time for more than 13 years, but now she is just radiant and so full of gratitude to the Lord, and they are both committed to loving and serving God with their whole hearts and lives!

- We started a new outreach activity, inviting women to learn about spirituality and to study a new topic every week such as forgiveness, love, mercy, grace, humility, etc. During the study group, we share our testimonies and Scripture, and then see how the women respond to this, and then invite the women who are open to spend time individually with us. We are praying hard that women will come to Jesus through these groups!

- Sandy, our teammate and leader in our church, travelled across the entire country over the past four months, teaching and training community and government leaders, teachers, parents, etc. and also meeting with young people who have been struggling with suicidal thoughts. God has been opening the most amazing doors for her to bless and touch almost every area of society across the entire country.

We are so thankful for YOU! I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now..." Philipians 1:3-5.

We are so grateful for your love, care, support and partnership. May God abundantly bless you in all you do daily to proclaim, serve and love Him!

For His glory,

Dave and Jan
